TRANSPORTATION PROGRAM

Mr. Kris Balaji, Chief
Transportation Programming, MS 82
Office of Federal Transportation Management Program
P.O. Box 924874
Sacramento, California 94274-0001

Attention: Mr. Abhijit Bagde, Transportation Planner

Subject: Madera County 2002 FTIP, Resolution 02-06-Amendment #9

Dear Mr. Balaji:

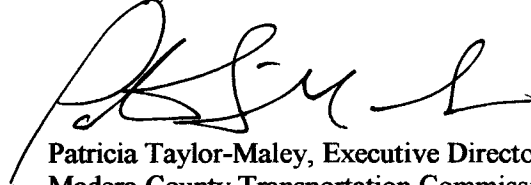

Please find enclosed a copy of Madera County Transportation Commission Resolution 02-06, Amendment #9. This resolution amends the MCTC 2002-03 through 2007-08 FTIP and was formally approved by the MCTC Board at its March 26, 2003 meeting.

The amendment was requested by the City of Madera and amends a STIP project (Regional Choice Program) necessitated by an extended 18 month FHWA review. The effect of this amendment is to carryover \$426,000 of right of way and \$6,830,000 of construction from the "Prior Years" to FY 2002-04 for the ROW and FY 2003-04 for construction. This project is the SR 99/Gateway Drive off-ramp, CTIPS id MA217002.

Per our procedures, an April 8, 2003 letter from the Council of Fresno County Governments is attached making the finding that this amendment has no bearing on the air quality conformity finding currently in place.

If you have any questions concerning this matter, please contact me or Bob Stone at (559) 675-0721.

Sincerely,

Patricia Taylor-Maley, Executive Director
Madera County Transportation Commission

Re: 2002 ^{FTIP} ~~STIP~~ Amendment

Dear Tricia:

Please prepare an amendment, if needed, to the STIP/Regional Choice Project on SR 99, MP 8.9 to 10.4, Gateway Drive Over-crossing /SR 145 Separation as follows:

1. The 'Prior Years' funding for R/W will be used in FY 2002/2003 and for Construction it will be used in FY 2003/2004.

This request will serve to match the fiscal year we plan to request a CTC Allocation for construction funds. The project has been delayed due to the 18 months of review by FHWA.

Please call Lester Jorgensen, should you have any questions.

Sincerely,

Leon P. Lancaster
